

Compering

Good morning everyone and a warm welcome to the project expo`23, a technical event organized by the department of MCA.

Today is a very special day, as we have gathered here to experience the innovative projects developed by the final year MCA students.

Project expo means exposition of projects. The main objective of project expo`23 is to provide the platform and unleash the potential of the students by showcasing their innovative projects developed in the Final Year and provide an opportunity for the students to demonstrate their learning experience.

I welcome you all for the inaugural ceremony of project expo`23.

Now, I call upon Mohammed Yaseen H of first year MCA to recite the qirath.

I request the gathering to raise up for qirath followed by thamizh thai vazhthu.

-----qirath-----

Now, I call upon Ananthi P, Archana R & Mala R of first year MCA for thamizh thai vazhthu.

-----thamizh thai vazhthu-----

Thank you. Please be seated.

Now, I call upon Ms. V.I.Sumaiya Banu, assistant professor, MCA to deliver the welcome address.

-----welcome address-----

Thank you mam.

Now, it is the time to honour our invincible principal and our distinguished chief guests

Now, I call upon Dr. M. Sadique basha, Head of the department, MCA to honour our beloved principal Dr. M. Sasikumar with a memento.

Thak you sir.

Again, I call upon Dr. M. Sadique basha, Head of the department, MCA to honour our chief guests Dr. S. Umamaheshwari, professor and head of IT department and Mr. K. Mohamed Abdul Kader, Associate Professor of IT department with a memento.

Thank you sir.

Now, I call upon our beloved principal Dr. M. Sasikumar to honour Dr. M. Sadique Basha, Head of the department, MCA with a memento.

Thank you sir.

Now, I call upon our beloved principal Dr. M. Sasikumar to address the gathering.

-----principal address-----

Thank you so much sir, for your energetic and sparkling speech.

Now, it is the time for the participants of project expo`23 to present and demonstrate their projects to the chief guests and their scores will be recorded and the best projects will be rewarded.

I request the participants to move to the respective venues for project presentation and demonstration.

And I request the participants to assemble back in the seminar hall at the time of valedictory ceremony.

Thank you.

Also, I request the volunteers to guide the participants to accommodate themselves in the respective venues.

Thank you all.

Good afternoon all.

Welcome back to the project expo`23, a technical event organized by the department of MCA.

Now we are at the end stage of our today's event.

I welcome you all for the valedictory ceremony of the project expo'23.

"If you believe in yourself and have dedication and pride - and never quit, you'll be a winner."

Now it is the time to appreciate, honour and reward the best projects and the winners of the today's technical event .

Out of 59 projects, 3 projects have chosen as the best projects.

And here are the winners.
